**ACURE MARULA OIL**

Acure's all-natural cosmetics are free from animal testing, parabens, harmful preservatives, artificial colors and fragrances. They are cold-pressed, unrefined and wild-crafted without pesticides. Marula oil nourishes and calms the skin while filling in lines as it is very emollient. It contains four times the vitamin C of oranges, and is packed with naturally occurring omega-9 fatty acids, vitamin E and highly beneficial flavonoids. This miraculous oil is the solution to rosacea, acne, and many other irritated-skin-conditions you've been searching for! Once experience it stopping a breakout in its tracks, you'll be hooked too!

**DEVITA ABSOLUTE BASE**

Surprisingly hydrating and infused with age-defying ingredients like hyaluronic acid, certified organic aloe vera and natural enlightening pigments, this exquisite mineral formula creates a soft, radiant complexion. Free of parabens, synthetic fragrances, dyes and petrochemicals, enjoy a silky-smooth application with a perfect amount of healthy coverage (a little goes a long way).

**THE ALL NATURAL FACE LIP GLOSS**

Truly all-natural and non-toxic, without any artificial ingredients or parabens. This is a high-shine, hydrating lip gloss, formulated with a nourishing blend of shea, avocado, and murumuru butters. It is also Infused with vitamins A and E to protect and moisturize. Available in 32 gorgeous colors.

### TARTE PICTURE PERFECT EYELASH CURLER & DELUXE LIGHTS, CAMERA, LASHES MASCARA SET

Finally, the first ergonomically designed eyelash curler for easy, pain-free eye-lash curling every time! And unlike other lash curlers that require multiple squeezes, just one squeeze with Picture Perfect is all you need to achieve that perfect curl. This sensational set comes with Tarte's deluxe, best selling Lights, Camera, Lashes 4-in-one mascara that's been clinically proven to increase lash volume by 424% and lash curl by 90.2%. Impressive! 100% vegan and free of parabens, sulfates, synthetics, petrochemicals and phthalates.

### OMEGA NC900HDC NUTRITION CENTER JUICER

True beauty is an inside job! It's true. By juicing at low speeds, the Omega Nutrition Center Juicer minimizes heat build-up and oxidation for maximum nutrient retention. Get perfectly smooth delicious juice, full of the most alive and abundant enzymes, anti-oxidants and phytonutrients every time. Extract juice from wheatgrass and leafy vegetables, from carrots and beets and all other soft and hard fruits and vegetables. The Omega NC900 can crush, grind and extract juice from any and all whole plant foods. Make all-fruit sorbets, nut butters, baby food, nondairy milk and a variety of healthy treats that your whole family will love. With a 15-year warranty, a powerful commercial motor, and 5 adjustable settings, get maximum juice output with no hassle.

### ZUZU LUXE BROW PENCIL

The right brow shape and color can create a much more balanced, youthful look. ZuZu Luxe cream brow pencil truly allows you to fill and shape your beautiful brows with ease. Complete with a convenient brow brush, you can finally say bye-bye to those harsh, hard-to-blend pencil lines!

### GIOVANNI 2CHIC ULTRA SLEEK SHAMPOO & CONDITIONER

Enjoy the smooth, frizz-free hair you crave. Intensely moisturizing and rich, this duo is packed with plant-sourced protein, Brazilian phyto-keratin and Moroccan argan oil to deliver sensational shine and manageability. Giovanni is always cruelty-free with absolutely no animal by-products, parabens, sodium lauryl/laureth sulfate, artificial fragrance, dyes, and PEGs.

### NEKTER JUICE BAR CLEANSE

Feeling sluggish? Instead of turning to caffeine for a boost, try amping up with nutrients! Forget those pills, potions and laxatives too, Nekter Juice Bar has developed the ultimate fruit and veggie juice cleanse to beautify, nourish and gently cleanse. But the Nekter Cleanse is not a fast; it's simply a natural way to infuse your body with a huge dose of phytonutrients, while giving your digestive system a break, and empowering the body's natural ability to cleanse and heal itself. Made with a delicious blend of approximately 15 pounds of low-temp-pressed fresh fruits and vegetables, you get six bottles filled with vegetable and fruit juices and a delicious vanilla bean nut milk to drink each day. It even comes with a free Nekter signature cooler bag for travel.

### MINERAL FUSION CONCEALER

Mineral Fusion's concealer is the only makeup our Editor in Chief uses. And after just one use, our Marketing Director was completely hooked too. This concealer perfectly covers all skin imperfections, and what's even better is that it's packed with antioxidants and skin soothing botanicals, such as sea kelp, pomegranate, licorice root and pcynogenal (pine bark extract) to nourish and protect. Believe it or not, you can put it on a breakout and it won't make it worse, it will calm and help heal it! We love their unique duo-shade system and amazing cream-to-powder texture that allows you to custom-blend your color for perfect coverage every time. It's also cruelty-free, vegan, and free of gluten, parabens, artificial colors, phthalates and talc.

### SKIN 2 SKINCARE 24/7 REJUVENATION CREAM

This is a paraben-free, age-defying, vegan formula developed to facilitate oxygen and collagen production and improve elasticity. The wrinkle-smoothing of this formula is powered by 4 anti-aging peptides and vitamins A, C and E. It reduces inflammation and even lightens dark spots without toxic substances. Infused with 20 certified organic extracts, and scented with a therapeutic blend of white tea, neroli, jasmine, orange, spearmint, lemon and bergamot essential oils, this dream cream is free of artificial fragrance or carcinogenic substances. (Warning, white tea does contain caffeine, so use in the morning if you are caffeine-sensitive or prone to insomnia).

### DEW PUFF BAMBOO CHARCOAL SPONGE

Great for sensitive or problem skin, this all-natural beauty sponge is made from konjac root (also known as Japanese elephant yam), which has long been regarded for its health and therapeutic properties. Infused with activated carbon, its minerals and antioxidants help prevent breakouts and protect against bacterial imbalances. Perfect for all skin types (even babies!), Dew Puff thoroughly breaks down dirt, promotes circulation and gently exfoliates without irritation or skin damage.
